

***Delta Air Lines is no longer a Hero Miles participating airline, but if you have Delta SkyMiles and would like to donate them, here's how to do it:***

***Delta Air Lines and Northwest Airlines are merging their frequent flyer programs, and Northwest Airlines is a Hero Miles participating airline.***

***Go to the ["Manage Account"](#) section of the Delta Air Lines SkyMiles drop-down menu.***

***Click on the ["Link to WorldPerks Account"](#) item in the left margin, then click on ["Link Accounts Now."](#)***

***Complete the section by entering your Delta SkyMiles and Northwest WorldPerks account numbers and PINs, then transfer your SkyMiles to your WorldPerks account.***

***Once the miles are in your WorldPerks account, you can donate them to the Hero Miles program by going to the ["Donate Miles to AirCares"](#) page, and selecting Fisher House Foundation.***

***If you do not have a Northwest WorldPerks account, you will need to set one up first.***

***Thank you for your thoughtfulness and generosity.***
