

FISHER HOUSE, CAMP PENDLETON

“WISH LIST”

“The Fisher House Foundation is very generous and new Fisher Houses come fully furnished, but there are things the Foundation does not provide or which we need on an ongoing basis. In addition, while the Navy funds day-to-day operational costs, including utilities and salaries, each Fisher House is responsible for the on-going provision of comfort items, non-perishable foods, etc. through voluntary donations. Based on this, some of the items we are in need of include:

*****Monetary donations** – These give us the flexibility to use your donation as a particular need arises and are extremely welcome. Checks can be made out to “**Fisher House Camp Pendleton**” Checks can be mailed to:
